nbs EziBank™ Vodafone now joins Digicel on nbs EziBank™ to access your NBS bank account from your mobile phone.

EziBank™ is banking services from your mobile for all Samoan customers, regardless of their mobile operator. Now customers can not only manage their accounts using their cell phones, but they can also make deposits and withdrawals through selected Digicel of Vodafone Agents throughout Samoa.

NBS customers can transfer the money they receive from family and friends via their Mobile wallet, into their nbs bank account. More than half of Samoan's receive such remittances on a regular basis.
